

Georgia Solar Tour Volunteer Packet

Thank you for participating in the Georgia Solar Energy Association's (GSEA) 2008 Georgia Solar Tour! We have put together a volunteer packet for you. Inside you will find:

Facts At-A-Glance

Provides broad information about the solar tour and should be given to a media contact if they happen to stop by.

Tour Registration Sheet

While the tour is free, we would still like to capture the contact information for the attendees and send them a follow-up survey after the tour. If you have attendees that do not wish to list their contact information, that is okay but we would still like you to list them as "Anonymous" so we can gain an accurate head count of attendees. Please set the registration sheet up in a convenient location at your tour spot along with the Sponsor sheet and the GSEA Brochures.

Sponsor Sheet

We want to thank all of our tour sponsors by placing the sponsor sheet in a prominent location at the site.

GSEA Brochure

GSEA membership brochure provides information about the organization and a membership application. Please have tour attendees send all checks to the post office box listed on the membership application, unless you plan to bring them to the reception at Southface after the tour between 4:30 and 6:30PM.

Summary of 2008 Georgia Clean Energy Tax Incentive

Provides an overview of the new Georgia Clean Energy Tax Credit. Please give a copy to any interested participants. More copies of this factsheet and all documents will be available at the reception.

Photovoltaic and Solar Thermal Factsheets

These two documents are provided to give you an overview of the two most prominent types of solar energy displayed on the tour. Participants can find more information about renewable energy on the GSEA website at www.gasolar.org

Volunteer Waiver

If you have not signed the volunteer waiver, we will assume that you still agree to the waiver by being a volunteer on the tour. If you have an emergency the day of the tour, please call 911. For day of tour questions, call Laura Capps at 770-527-2342.

Signs

Please post the sign(s) provided in a prominent location to let attendees know they have found the correct location.

Please join us after the tour for the reception at Southface (4:30-6:30PM). All volunteers will receive free admittance to the reception. Thank you for supporting GSEA!
